WHEN APPLYING FOR BIG GAME HUNT PERMIT-TAGS, YOU MUST USE HUNT NUMBERS!

LAWFUL TAKING METHODS: Bow and arrow, crossbow, centerfire handguns, centerfire rifles, muzzleloading rifles, or all other rifles using black powder as prescribed in R12-4-304. Note that bow and arrow, crossbow, or centerfire handguns may NOT be used at Raymond Wildlife Area.

LICENSE AND PERMIT REQUIREMENTS: Any valid hunting license (excluding Class H) plus Buffalo hunt permit-tag obtained only through application and drawing procedures as prescribed in R12-4-104 and R12-4-114. Applicants must apply by Hunt Number.

Notes:

1. A hunter with a buffalo hunt permit-tag for the Raymond Wildlife Area herd shall be accompanied by an authorized Department employee who shall designate the animal to be harvested and shall hunt in the order scheduled by the Department in accordance with R12-4-306. Hunters that desire a more challenging hunt should apply for the House Rock Wildlife Area hunts.
2. An unsuccessful hunter with a buffalo hunt permit-tag for the House Rock Wildlife Area herd shall check out in person or by telephone at either the Department's Flagstaff regional office or the House Rock Wildlife Area headquarters within three days following the close of the season. A successful buffalo hunter shall report information about the kill to the Department within five business days after taking the buffalo either in person at the House Rock Wildlife Area headquarters or in person or by telephone at the Department's Flagstaff regional office. If the kill is reported by telephone, the report shall include the name of the hunter, the hunter's tag number, the sex of the buffalo taken, the number of days hunted, and a telephone number where the hunter can be reached for additional information. (R12-4-306).
3. Successful applicants will be contacted in writing by the Arizona Game and Fish Department to provide them with additional information regarding their hunt.

BUFFALO BAG LIMIT: One (1) buffalo in a lifetime except as prescribed in R12-4-120.

HOUSE ROCK BUFFALO HUNT SPECIAL NOTE: During the fall and spring hunts at the House Rock Wildlife Area (HRWA), a significant portion of the herd has in the past moved to the Grand Canyon National Park where hunting is not allowed. Hunters are advised that if this occurs, their ability to successfully harvest a buffalo may be significantly impacted. As with any hunt, circumstances beyond the control of the Arizona Game and Fish Department may prevent the permit holder from being successful. The Arizona Game and Fish Department and Commission disclaims any responsibility to reissue or replace a permit, to reinstate bonus points, to refund any fees, or to provide any other form of relief.

The HRWA buffalo hunt is considered to be one of the most difficult hunts in the state. Buffalo can be difficult to locate. Plan on spending the entire season hunting, as an abbreviated hunt will lower your chances of success. Buffalo hunters must dress and care for their own animals; the Department will not assist. Take time to improve your physical condition. Hunters are often required to walk considerable distances (up to 8 miles) every day over rugged terrain. House Rock hunters should be prepared for remote and primitive conditions.

High clearance or four-wheel drive vehicles are recommended. Some portions of HRWA are included in the U.S. Forest Service wilderness system that does not preclude hunter access but does limit their means of transportation and equipment usage. For more information, call the Flagstaff Regional Office at 928-774-5045.

BUFFALO SPECIAL REGULATIONS: Buffalo meat taken under this Order may be sold as prescribed in R12-4-305. SEE BUFFALO HUNT REGULATIONS UNDER R12-4-306.

The collars are used to track lion movements as researchers try to learn how the lions use various habitat types and urban interface areas. The longevity of these lions is important to the ongoing research, and data collected will help to improve Arizona's management of lions in the future. If you would like more information about any of these research efforts please contact the Arizona Game and Fish Department Research Branch at (623) 236-7247. Also, if one of these animals is harvested, the hunter is asked to return the collar, as well as any other marking device, such as an ear tag, to a Department office or officer when doing the required physical check-in of the carcass parts.
